(Log-in & password will be sent to this email address)

“Abacus Host Sign-In Administrator” will be provided with an I.D. and password to view, create, delete, activate & deactivate the Abacus Host Sign-In Code and reset the Passcode. The Administrator should be responsible for the first tier administration of his/her travel agent’s Abacus Host Sign-in Code & Passcode. Travel agents are fully responsible for the custody and the use of the Administrator’s I.D. and password, as well as any associated consequence. Please notify Abacus immediately upon the changes or resignation of the Administrator, or any loss or theft of the Administrator’s I.D. or password. Abacus reserves the right to modify, update, restrict, suspend or terminate the availability or any functionality of the Administrator.
